## Dear Fellow Workers in Christ's Kingdom:

An old illustration depicts a needy traveler, weary from journey, standing at the base of a castle. From the walls above someone drops before his feet below all the supplies needed for the continued journey. It is reasonable to suppose, then, that the traveler takes time to look upward to see who brought this needed relief. In a similar way, we pause as a nation during this month to acknowledge an abundance of relief supplies—and then some! We look above to our heavenly Father who showers his blessings upon us. And the greatest blessing is the faith in our Savior that God works in our hearts through his Word. James speaks to this: "Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows. He chose to give us birth through the word of truth, that we might be a kind of firstfruits of all he created" (1:18). Have a grateful and blessed Thanksgiving, everyone!

Blessings in Christ,

John A. Moldstad

## Anniversary Celebration

On October 4, Hartland Lutheran Church in Hartland, Minnesota, celebrated her 125th anniversary and Manchester Lutheran Church in Manchester, Minnesota, her 100th anniversary. Pastor Shawn Stafford and the Rev. John Smith (former pastor) led the services of thanksgiving for the Lord's many blessings.

### Peace Lutheran, Kissimmee, Florida

Some of the members who attend regularly the Hispanic worship service at Peace Lutheran in Kissimmee, Florida, gathered for a picture on October 11. The Rev. ### Reformation

Many of you have already celebrated the Reformation. Still others will do so this week. As we reflect back on 498 years since that day, we are reminded of the significant milestone of the 500th year anniversary of the Reformation just two years from now (2017). Only one year later we celebrate the 100th anniversary of our synod (2018). Our Anniversary Offering and Centennial Committees have been working hard to prepare to help you and your congregation join in the celebration. May we with thankfulness remember those who have gone before to preserve God's Word for us today. May we remain faithful and committed to this work as we support it with our gifts. If you would like to learn more about the plans for the centennial celebration or how you can help carry it forward by participating in the Anniversary Offering, contact your synod office at 507-344-7354 or call the Dan Basel at the Estate Planning Office at 507-344-7311.
